Unfiltered
Extra Virgin
Olive Oil

Description

For those who love a more delicate taste, this product is made with a selection of the finest olives from European Union, made in full compliance with the organic farming system.

Size: 750 ml glass

Lupi Unfiltered Extra Virgin Olive Oil was born out of the years of experience and mastery of Olio Dante's expert blend masters, who carefully select and blend the finest oils from the most important mills in the European Union.

It goes directly from the mill to your table, without undergoing any further processing or filtration.

Size: 750 ml

The reason why

1. It presents a harmonious and well-balanced flavour which makes it ideal for all types of traditional dishes, both to drizzle and in cooking.
 2. Delicately enriches the dishes of everyday cuisine. Particularly suitable for fish dishes, white meat and blended vegetable soups.
-
1. Back to the origin and tradition with look & feel.
 2. It appears cloudy and opaque due to the presence in suspension of microscopic residues of the source fruit.

Pomace
Olive Oil

Product

Description

From olives chosen from the best locations in Europe, refined to ensure a pure light and bright color. Very mild and delicate taste, wonderful as reliable and cost effective base for cooking/ grilling.

Size: 250 ml

The reason why

1. Well suited for all palates due to the delicate taste.
2. Very low acidity and controlled characteristics.
3. Very suitable for cooking.

Oil containing oils derived from the processing of the product obtained after the olive oil extraction directly from olives, it can resist very high temperatures.

Size: 5 liter PET/tin

1. This oil is especially suitable as an ingredient in bakery products.
2. Thanks to its neutral taste, this oil can also be used as dressing on foods whose taste is preferred not to be altered.
